- 1.3 We will retain and delete your personal data as follows:
 - (a) Account Data will be retained for 3 years following the date of our last contact or dealing with you, at the end of which period it will be deleted from our systems.
 - (b) Profile Data (other than Profile Data which is also Account Data) will be retained for 3 years following the date of our last contact or dealing with you, at the end of which period it will be deleted from our systems.

1.4 Notwithstanding the other provisions of this policy, we may retain your personal data where such retention is necessary for compliance with a legal obligation to which we are subject, or in order to protect your vital interests or the vital interests of another natural person or where it is necessary for the performance of a contract.

1.5 Provision for retention of records where allegations are made against a candidate. If concerns have been raised about an adult's behaviour around children, records in personnel files will be kept at least until they reach their normal retirement age or for 10 years - whichever is longer (IRMS, 2019; Department for Education, 2021). This applies to volunteers and paid staff. For example: If someone is 60 when the investigation into the allegation is concluded, keep the records until their 70th birthday. If someone is 30 when the investigation into the allegation is concluded, keep the records until they are aged 65. You should keep records for the same amount of time regardless of whether the allegations were unfounded. However, if allegations are found to be malicious then records will be destroyed immediately. Information will be retained even if the person stops working or volunteering for the organisation.
